Re: South Central Bell Letter

Dated September 4, 1991

Discontinuance of IMTS - Effective November 30, 1991

I am very disappointed at the lack of representation in the matter of South Central Bell's discontinuance of IMTS service. I have been an IMTS subscriber since moving to Louisiana in 1985 and was before that for quite some time in Oklahoma. Your decision to allow SCB to discontinue this service has left me the proud owner of a now worthless Harris Alpha 2000 mobile telephone. I shall remember this lack of support as each of you run for public office for which I am eligible to vote.

Yours very truly,

Dorion Fleming, Jr.
